

Meeting Notes for Choir Booster Board

August 11, 2018

GENERAL

1. The board agrees on the need for a "benevolence" fund. These funds will be used at the board members' discretion to meet needs that may arise in the lives of the OMHS choir family. These needs include, but are not limited to meals for grieving families, financial support during times of need, and any other way we may be able to support and bless our Oak Mt. Community.
2. It needs to be a priority this year to find ways to show appreciation and love to our Crew.
3. Volunteers are needed to host choreographers while they are here (Mon Aug 27- Fri 31). The only requirement is a private bedroom and bathroom. Wednesday night the choreographers will be free to have dinner with the host family.
4. Parents and students need to be strongly encouraged to make the website their "go to" for all things choir. If there are still questions then feel free to contact the appropriate person
5. A volunteer is needed to design and head up production of our choir program publication and the program ads that will need to be included (Rebecca Sandidge was recommended).
6. The number of chaperones for Disney is TBD based on the number of students who sign up. Priority will be on a first come basis but will be contingent on timely payment to secure the spot.
7. Some files on the website (particularly the google folder) needs to be password protected.
8. There was a unanimous decision to use the funds previously allocated for Mrs. Gia to purchase a lighting system that will have a multitude of uses for years to come.
