

OMHS Choir
Crew/Backstage Parent Meeting
2019-2020 Season

Load in Equipment

- *Same setup as Muses plus two black blocks on the outer right and left (these will have to be built)*
- *Creating wings with the side TV trusses and kids will pass between them entering and exiting the stage.*
- *Middle TV bracket of TV's will have one piece of trussing and then will utilize a truss crank so it can be lowered through the doors and for attaching the TV's at a safe height*
- *Two largest wing TV trusses*

TV Hanging Brackets

- *We need the Large TV brackets to be welded so contact Zauchin if you have any welding contacts*
- *TV's will travel in cases and have to be affixed to the frames on arrival*
- *Electronics/wiring will already be intact*

TV Façade Frames

- *Mrs. Vest has an idea on a material for the frames*
- *Needs to be as light as possible*
- *Painted a gloss black*
- *Façade is to be a frame all the way around the face of TV's*
- *Wing TV frames need two hooks to hang the sequin drapes for Muses show*

LED Light Boxes

- *Need 16 of them*
- *Lights purchased from Amazon*
- *Coroplast (corrugated plastic)*
- *Steel studs with 2x4 ends*

- Will need holes in the 2x4's to run the wiring/cabling through
- Silicone caulking
- Polyethylene (16gauge)
- 8'x 16'x 3.5'
- Velcro on front of the riser and the back of the box to ensure they don't tilt

TV Road Cases

- Keep packaging material from TV's so it can be placed in the road case
- 3 TV's per case to keep them small enough to fit through an avg door

Lighting Road Case

- Needs to have egg crate material
- Need a side box for each case for the associated cables and adapters
- Possibly can use the black boxes from last year's lighting trusses as repurposed light storage
