## **Audition Process**

### **Vocal Audition**

Each student is required to sing at least 30-45 seconds of a song of their choice for a panel of judges. Choose a song that you feel shows off your vocal talent. Your piece should be prepared and memorized!

It is up to the student to provide accompaniment for their audition. This can be in the form of a track, piano, guitar, etc.

**Please view the video with instructions on how to record your video.**

### **Choreography Audition**

Each student auditioning will be required to learn and perform choreography.

Choreography will be taught via video. If you are struggling to learn the choreography from the video because it is your first time to learn from a video, please reach out to another person auditioning for help. However, we will take learning the choreography from a video into consideration this year.

### **Evaluation**

Students will be evaluated on their vocal and choreography performances by an independent panel of judges. The choir director will make the final decision in selecting and placing students in a choir. Please understand this process is based on the shows planned for the following year.

### **Results**

Results will be announced via online at [www.OMHSChoirs.com](http://www.OMHSChoirs.com) by the evening of May 28. Changes could occur during the school year based on attendance, grades, work ethic and other show-related factors.
