Show Choir Crew

The Show Choir Crew is a vital part of the show choirs traveling to all competitions, and participating in all trips with the choir. They work on sets, costumes, setup, lighting, and sound throughout the entire year to help enhance the shows. We could not do any show without The Crew!

If you do not pass the audition into one of the show choirs, we highly recommend you be in the men's choir and women's choir classes. Continuing to sing will help you strengthen your skills. While participating in men's choir and women's choir you can also participate by being a part of the show choir stage/tech crew. Would you be interested in being a part of the show choir stage/tech crew? **Yes No**
