OAK MTN CHOIR

Dear Prospective Sponsor,

The mission of The Oak Mountain High School Choral Department is to offer affordable choral opportunities to anyone who has a passion for music. Real growth occurs when the community and business owners become involved and interested in supporting the development of programs that mold students to become productive members of the community and role models for their peers.

I would like to offer you an opportunity to partner with your community, Oak Mountain High School, and the students by becoming a supporter of the Arts through our fundraising efforts. Your willingness to become a sponsor would be recognized and acknowledged at our concerts, community engagements, on our website, and included in our programs. Each event we host averages 1,000 – 1,500 spectators. 190 students currently participating in OMHS Choral Program would greatly appreciate any contribution.

We have created tax-deductible packages (attached) that provide different sponsorship options. I hope that you will find an option that enables you to support our Program and students. If you have questions about our sponsorship program email the OMHS Choral Boosters at oakmountainhschoirs@gmail.com.

I appreciate your willingness to consider being an active participant in our Program. Together we can positively impact our community and students through music and our love for the Arts.

Sincerely,

Michael A. Zauchin
